

INTERNATIONAL SOCIETY OF GEOGRAPHICAL &
EPIDEMIOLOGICAL OPHTHALMOLOGY

SOCIETE INTERNATIONALE D'OPHTALMOLOGIE
GEOGRAPHIQUE ET EPIDEMIOLOGIQUE

24th May 2018

Dear ISGEO Colleague (Trustees, Treasurer, Secretary, Executive members, past members, current members, and all interested in ISGEO)

On 25 May, the General Data Protection Regulation (GDPR) comes into force with the aim of strengthening data protection for people within the EU. The new law requires that consent to receive communication must be 'freely given, specific, informed and unambiguous'. Importantly, there must be a positive opt-in as opposed to an opt-out.

As a valued *ISGEO* member, we are committed to sending only the most relevant information to you. As part of this commitment, we are updating all our records to ensure that both privacy and protection of your data remains our utmost priority. We would like to inform you that your details (name, address, phone and/or email) stored at London School of Hygiene and Tropical Medicine (LSHTM) / International Centre for Eye Health (ICEH) database are only used to continue to provide you with the relevant information about the International Society for Geographical and Epidemiological Ophthalmology (*ISGEO*).

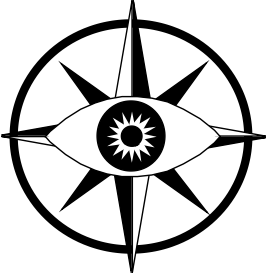

We are asking all our past and present members to give us consent to keep sending information about *ISGEO* and upcoming bi-annual conferences.

Please find attached a consent form to complete and email it back, giving your permission to be contacted by *ISGEO*. If you no longer wish *ISGEO* to contact you about the bi-annual conferences, please let us know and we will remove your details from our list.

To learn more, visit the [GDPR home page](#).

Yours sincerely

Jyoti Shah
ISGEO Administrator
